### Shelf Tags:

Tape the shelf tags next to the product so that your consumers know what items are on promotion.

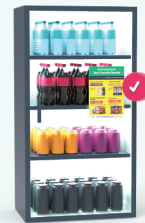

2

### Printable Signage:

Printable signage files are also available for you to download and print via your Skupos Dashboard. For more information on how to access these files please visit: <https://help.skupos.com/en/articles/6307726-promotional-signage>

We highly recommend sites to display the available signage in your store to maximize customer exposure to these promotions!
